

Thursday, February 28, 2019

7:45am to 2:30pm

Spruce Creek High School Media Center

Spruce Creek High School's Academy of Information Technology & Robotics (AITR) is hosting the third annual Spruce Creek High School Maker Faire. Inspired by AITR's annual Maker challenge project, the Maker Faire is a school-wide event and will feature participants in grades 9-12. The event is open to participants from Spruce Creek High School who submit a participant application by February 21, 2019. We anticipate having over 100 participant displays.

Spruce Creek and AITR are looking for members of our local business community to be our guests to the Spruce Creek High School Maker Faire. We would like this to be a fun and relaxed opportunity for our students to showcase their talents to the business community and utilize it as a networking opportunity with potential future employers.

If you are interested in attending as our guest, please contact Kate Allen at kdfreeland08@gmail.com to RSVP. We will provide you with more details (such as directions once you get to the school, how to sign in at the main office, updated event details, etc.) once you RSVP.

We would also like to have a few community participants. If you or your company have a Maker Faire type of project or an interactive exhibit promoting STEAM (science, technology, engineering, arts, and math) that you would like to display, please include your request to participate and a description of your display in your RSVP email.

If you are interested in becoming an event sponsor, please contact Kate Allen at kdfreeland08@gmail.com.

EVENT SPONSORSHIP FORM

In order to run the Maker Faire, it will cost between \$1,300.00 and \$1,500.00 to host and promote the event. We are using sponsorships to cover these expenses. Please see the sponsorship information below:

- All donors have an invitation to attend the Maker Faire.
- \$50 and up donors will have their logo in the event program.
- \$100 and up donors will have their logo on the back of the event t-shirt listed as an event sponsor and their logo in the event program.
- \$300 and up donors will have their logo printed larger and in the top section of the back of the event t-shirts and their logo in the event program.
- Sponsorships and logos (in a high resolution digital format) are due no later than Feb. 14, 2019 in order to get the logo printed in the appropriate places on time.
 - Email logo to Kate Allen at kdfreeland08@gmail.com

Name of Sponsor: _____

Contact Person: _____

Contact Phone Number: _____
