Dear Parents:

Each school district in Florida is required by state statute to provide students with the opportunity to enroll in a Virtual Instruction Program (VIP). Students have the option of enrolling in either part-time or full-time virtual courses for the upcoming school year.

The initial enrollment period for participation in the full-time virtual option begins April 23 and closes July 21, 2013. For your convenience, a second enrollment period opens July 22 and closes August 30, 2013.

Families have the option to choose from three online providers, including Volusia Virtual School. Additionally, students may receive the use of a computer and assistance toward Internet access if there is none available in the home *and* the student qualifies for free/reduced lunch.

For more information on VIP options, go to [www.volusiaonlinelearning.com](http://www.volusiaonlinelearning.com) or contact the Online Learning offices at 386-506-0014.

Sincerely,

A handwritten signature in cursive script that reads "Margaret A. Smith".
